LONG'S MACHINE IS THREATENED WITH EXPLOSION

oratorical Rev. Gerald L. K. Smith, "share-the-wealth" organizer, with a threat to take his followers, which he estimated at 300,000, off to another camp if his group was not consulted in the framing of a slate of candidates for the January election.

Until that happened it appeared that a selection might have been made between Allen, Ellender, speaker of the house, and Lieutenant-Governor James A. Noe as the candidate for governor. That placed Noe and Ellender back into the running with Ellender perhaps a stride in front.

Will Call Election
One thing Governor Allen did make clear, however, and that was that an election would be held to fill the unexpired term of Senator Long in the United States senate. He pointed out that under the Louisiana law appointment cannot be made to the senate for a term exceeding one year, and that Senator Long's term has a year and three months to run.

The governor plans calling a special election for the unexpired term on the same date as the regular election, where a senator, a governor and all state officials will be nominated.

It has been just about agreed that Wade O. Martin, public service commissioner, will run for the short term and Governor Allen himself will run for the regular six-year term starting in January, 1937. In this way Governor Allen could serve out his term as governor, expiring in May, before going to the senate if he should be elected.

Earl Long, brother of Senator Long,

OUT OUR WAY

Governor Comes First

Until a candidate for governor is chosen, no attempt will be made to select the other positions. From the present outlook it will require many more conferences before the top candidate for the state ticket is chosen. One wing wants Ellender for governor and Noe for lieutenant-governor, another wants Noe for governor and Ellender for lieutenant-governor. So there it stands.

This dispute within is new to them, as they have been accustomed to have Long tell them what to do, rather than asking them. No one among them can do that but it is probable that after the wrangling is over on the ticket selection all of them will unite for the January election. Some of them do not like each other, but they also dislike the thought of being out in the cold politically. They want to win at all costs.

The anti-organization watched the smoke rising from the Allen camp gleefully as smoke also is rising from their field. They are having a hard time building up a united front and they probably will wait until Allen announces his ticket before advancing their slate.

In this faction, the two congressmen, Cleveland Dear and J. Y. Sanders, Jr., stood prominently in the battle over selection for the governor's race, and Congressman John Sandlin and Eugene Stanley, former district attorney of Orleans parish, have substantial backing for the selection for the senate run.

expenditures for arms. He said no nation had the "slightest intention of attacking" the United States.

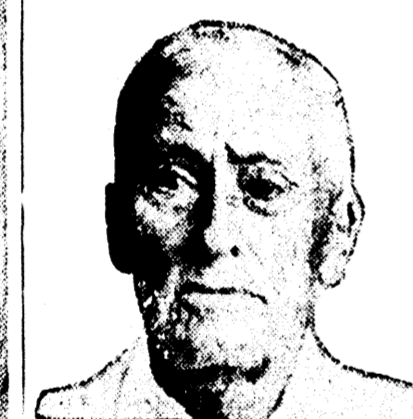

Downtown relief officials published figures showing that relief allotments for September were \$74,016,900 as compared with \$97,717,382 for August. They said the works relief program made it possible to cut down.

Political observers scanned Secretary Roper's constitution day speech for some inkling of the New Deal's future stand on the question of changing the constitution. In his address Roper said the right of amendment was the "heart beat of our constitutional system."

Kidneys Regulated, Sleeps Fine, Pain Of Rheumatism Ended

Gly-Cas' Action Amazes Monroe Man; Entire System Toned By New Remedy After All Else Had Failed; Enjoys Best Health In Eight Years

"All who suffer as I did should know of Gly-Cas, it is the one real medicine of them all," declared Mr. H. T. Gaster, age 69, 288 Winnboro road, Monroe, lifelong local resident, recently in talking with the Gly-Cas

Man who is daily meeting crowds of local people at the Phoenix Drug Co., 348 DeSiard street, where he is introducing and explaining the action of this new medical discovery.

"For over eight years I had been miserable with kidney trouble so bad that I could not find anything to even relieve the severe pains in my back," continued Mr. Gaster. "I was compelled to get up at all hours of the night and got but little sleep or rest. I was worn-out continually and lacked the energy to do anything. Soon rheumatism developed and the pains in my limbs and joints crippled me until I could hardly get about. I actually thought my days of usefulness were at an end. I tried all kinds of medicine from all parts of the country—but not only my bowels were regulated, in spite of the hundreds of dollars I spent, I was of the opinion to give up all hope of ever getting well again when I suddenly realized that practically everyone was talking of this new Gly-Cas and of the wonders it had accomplished throughout this section, so I decided to put this new remedy to a severe test on my own case. It proved to be the very medicine I should have had years before."

"Gly-Cas actually surprised me with its quick action," said Mr. Gaster. "The pains left my back almost at once and my kidneys began to function normally again. The poisons of many years standing were easily eliminated and my entire system seemed to become toned from this new Gly-Cas. I began to get natural sleep and my bowels were regulated, but the easy way in which Gly-Cas took hold of my awful rheumatism was astonishing. Within two weeks I could hardly realize the way I had suffered with the dreadful pain and constant aching of rheumatism, it had vanished entirely. I am now enjoying the best health I have had in eight years and would not take anything for the wonderful accomplishment of Gly-Cas in my case. All suffering humanity should realize how fortunate they are in being able to obtain a medicine like Gly-Cas—and profit by it as I have."

The Gly-Cas Man is daily meeting the crowds of local people at the Phoenix Drug Co., 348 DeSiard street, where he is introducing and explaining the action of this new vegetable medical discovery.

HEROES ARE MADE—NOT BORN

DELEGATES STATE PEACE PROPOSAL IS UNACCEPTABLE

(Continued from First Page)

the home fleet is concentrated off Portland with its ranks skeletonized by the fact that many warships have been ordered into the Mediterranean. An admiralty spokesman said no date had been set for the maneuvers off Scotland and added it was doubtful if they would be held at all "in view of circumstances."

The battleships Royal Sovereign and Nelson steamed out from Portland this morning, accompanied by a flotilla of destroyers for what was described as one-day local maneuvers, but just where these "maneuvers" would be held was not stated.

Between 125 and 150 British warships patrolled the Mediterranean in movements which authoritative quarters frankly labeled as "precautionary."

Donny Provocative
British officials, however, were quick to deny there was anything provocative in Britain's action in assembling this fleet during the present strained relations between Italy and Ethiopia, especially in view of the presence of numerous Italian men-of-war in ancient Rome's "mare nostrum."

Subjects of the British crown today received their first intimation of the extensive naval movements which the American public has known several days. Britons were kept in ignorance of the fleet transfer through a voluntary censorship by the British press.

The admiralty persisted in describing the ship movements as "routine," and "in accordance with previous arrangements."

Fleet Is Assembled
A Downing street official asserted there is nothing to justify any assumption that the Mediterranean maneuvers are being made in anticipation of an outbreak of Anglo-Italian hostilities.

The bulk of the home fleet which is not actually in the vicinity of the Suez canal—the vital channel through which all Italian forces and war equipment has passed—has been quietly assembled at Gibraltar to act as a backdrop to the Mediterranean fleet. The fleet's present position takes it well to the east of the narrows between Sicily and Africa which naval strategists consider the weakest link in the steamer lane through the Mediterranean.

At the same time the Admiralty harbor at Gibraltar has been protected with a boom defense and the southern entrance to the Admiralty harbor has been barred to ships.

Italy's Cabinet Passes Fund-Raising Measures

(By Associated Press)

The Italian cabinet passed sweeping provisions to raise funds "for the defense of the colonies" today, and the British admiralty indefinitely postponed the regular autumn maneuvers of the British fleet.

These developments were announced today shortly after the Italo-Ethiopian committee of the League of Nations evolved a plan for the assistance of Ethiopia.

However, hopes that Italy might agree to it, thereby averting a war in east Africa, were discounted by the immediate Italian reaction in Geneva.

"Absolutely unacceptable as a basis for negotiations," was the comment of the Rome delegation which, Tuesday, had suggested that Italy like the plan it might be willing to negotiate along its lines.

Naval developments meanwhile went forward with increasing momentum. In London, it was estimated that between 125 and 150 British warships were on duty in the Mediterranean, where Italian naval and military movements were gaining in velocity.

Military Increase Sought
Among these Italian movements was that of several thousand troops to Libya, the northernmost Italian colony in Africa and the one under the governorship of former Air Marshal Italo Balbo, known in the United States as the man who led the Italian air armada to the Century of Progress exposition in Chicago in 1933.

Balbo was understood to have asked Premier Mussolini for an increase of his military power because of the armed concentration of Senusite tribesmen along the Egyptian-Libyan frontier.

In Ethiopia, according to a Reuters dispatch to London, the governor of

Of the 98 seats in the Unicameral assembly, 57 appeared to be captured by nationalist democrats and 21 more by Osmena's pro-independence group. Osmena, former lieutenant of Quezon, was Quezon's running mate on a consolidated ticket.

Aginaldo and Aglipay were outdistanced from the first. Both were opposed to the commonwealth plan of government authorized by the Tydings-McDuffie act.

Destroyer Flotillas Sent Out Unexpectedly

GIBRALTAR, Sept. 18.—(P)—The second and sixth destroyer flotillas of the British navy, leaving two destroyers behind, sailed from here unexpectedly today for an undisclosed destination.

Reports circulated that the great battleship Nelson and the battle cruiser Repulse were expected to arrive here shortly.

The two flotillas arrived here yesterday after a speedy run from England in the company of the battle cruisers Hood and Renown and the second cruiser squadron.

These battle cruisers and cruisers still were in the harbor today and it was reported they would stay indefinitely.

The two destroyers left behind were the Foxhound and Foresight.

H. M. S. Nelson is the flagship of the British home fleet and the headquarters for the home fleet commander, Admiral Roger Backhouse.

Last reported placed the big battleship—her displacement is 35,500 tons and she carries nine 16-inch guns—at Portland ready for the home fleet maneuvers which the admiralty disclosed today are "indefinitely postponed."

H. M. S. Repulse recently was modernized. Of 32,000 tons, she carries six 15-inch guns.

Three F. E. 2 planes were flying over Gibraltar throughout the day.

exposition in San Diego. He said it was also very probable he would attend a luncheon in Los Angeles.

Otherwise, he said he did not contemplate any set stop in the middle west en route to the coast.

Plans Some Fishing

He spoke happily of the prospect of some fishing on the Pacific coast and disclosed an intention to visit an island never before inhabited by white man.

The president visited last night with Postmaster General Farley and Charles Michelson, director of publicity of the Democratic national committee. With a smile today, he described the visit as social.

But the fast cross-country trip indicated today by Mr. Roosevelt and the talk about hopes for several days of fishing in the Pacific certainly gave no sign of political concern here.

The president said he planned to return to the east by way of the Panama canal, but reserved decision where he would land. It now looks like he would land at Charleston or Annapolis.

20 Days On Water
He spoke of intentions to return to Cocos island in the Pacific, where he landed on the narrow beach of this rendezvous of pirates of old on his trip last year to Hawaii.

He also mentioned Pearl Island as another stopping point. He said he expected to spend approximately 20 days on the water.

On works relief, Mr. Roosevelt said that problem was one reason he intended to remain over in Washington next week for several days to give the undertaking a thorough checkup.

He withheld any comment on the involved European situation except to say that he did talk yesterday with Secretary Hull.

MRS. FRANK CARTER
TALULAH, La., Sept. 18.—(Special)—Mrs. Frank Carter, 25, of Lake Providence, died at the Clinic here Tuesday after an illness of three years. She had been a patient here for several months. The body was taken to Lake Providence, where funeral services were held. Mrs. Carter is survived by her husband, her parents, Mr. and Mrs. John Kelly of Lake Providence, and nine sisters and brothers.

ROPER DECLARES CONSTITUTION IS NOT 'DEAD TOOL'

sons generally have, and unless clearly evident economic signs and portents are largely wrong, this is a question that must be answered during the next decade if our present economic and governmental system is to endure."

The Roosevelt aide projected this issue as the "one dominant question which sooner or later must be answered by the American people."

Observers wondered whether the Roper utterance meant that the New Deal might conduct an intensive effort for constitutional amendment should other major administration measures meet the fate of NRA in supreme court tests beginning this fall.

There was no authoritative answer to such a question, and it was noted that Roper mentioned ten years as the period in which the decision must be made.

Roosevelt Talk Recalled
The speech recalled President Roosevelt's "horse and buggy days" press conference, in which he discussed the NRA decision and said the people must decide whether the federal government should have control over certain economic and social affairs.

In one respect, however, the Roper address went beyond the president's pronouncement, for the chief executive did not mention the matter of constitutional amendment and in answer to a question said such a change was not necessarily the answer. Roper dwelt on the subject of amendment.

"I consider the constitution as a living mechanism and not as a dead tool," he said.

Roper attacked "opposition criticism" which, he said, "seeks popular

RECORD IS MADE AT STATE NORMAL

Registration In All Departments Mounts To 2,307 Students

NATCHITOCHES, Sept. 18.—(Special)—An all-time fall term enrollment record was set at the Louisiana State Normal college here today, when the registration in all departments of the college mounted to 2,307 students. A new high was reached in the college department proper, with 1,402 students enrolled. 1,187 in residence and 235 in correspondence and extension classes. The local high school and the elementary training school, both of which operate under the supervision of the college, have enrollments of 318 and 567, respectively.

The honor of breaking the record enrollment of 1,176 students set last year in the college department went to Miss Joell LeBlanc of Shreveport, who drew registration card number 1,177. Miss LeBlanc enrolled as a special student and expects to major in commerce.

Authorities of the college stated today that the final residence enrollment in the college department for the fall year is expected to exceed 1,225 by Sept. 30, the last day students may register for the term. The average enrollment of students for the last ten years at the normal college is 1,016.

With the largest freshman enrollment in the history of the college and a large number of students transferring from other colleges to the teachers' college here, two days instead of one were allotted for classification at the opening of the term. Full time classes are being held this week, and work of the new session is getting into full swing.

Rooms in the fireproof dormitories on the college campus being at a premium, many students have been obliged to obtain rooms in the homes of Natchitoches citizens. These students are under the same regulations as those in the college dormitories and are supervised by a special dean of women at the college. Accommodations have been made for 544 students in the college dormitories and in the dining hall on the campus, authorities stated today.

More than 200 students are staying at home and attending the college via eight bus lines being operated in all directions from the college. The bus lines extend from Alexandria, Boyce, Dry Prong, Winnfield, Ringgold, Hall Summit, Pleasant Hill and Many.

CONSTITUTION IN PENNSYLVANIA IS KEPT UNCHANGED

(Continued from First Page)

wise held on, turning back the attack of the "old guard."

The fond dream of Governor George H. Eitel of Pennsylvania for a constitutional convention to remodel the 61-year-old charter of his state for purposes of New Deal social legislation was running more than a hundred thousand votes behind with a third of the returns in.

The governor apparently backed a winner, though, in the candidacy of Justice H. Edgar Barnes of the Democratic nomination to the state supreme court. The nomination equals election.

New Mexico Vote Light Topping municipal and county struggles was the race for the mayoralty of Philadelphia, with City Controller S. Davis Wilson leading City Treasurer Will B. Hadley nearly two to one.

New Mexico's light vote was negative on proposals for constitutional changes which would have permitted the legislature to exempt property from taxation up to \$2,500. The vote was also against a federal land exchange, criminal trial simplification and other alterations in basic law.

New Jersey's most vigorous battle was in Essex county, where the Rev. Dr. Lester H. Clee campaigned for the Republican senatorial nomination on a "clean government" platform, favoring repeal of the sales tax. Dr. Clee had a sharp lead over William C. Cope and a "clean government" assembly ticket was far ahead.

Because he admired the ornament, one Manhattan tribesman pierced his lips with an ivory pin.

OBITUARY

B. F. C. BROOKS

Benjamin F. C. Brooks, 64, son of a Civil war major and well known in the Calhoun and Choudrant vicinity, died yesterday afternoon at his home in Choudrant. Funeral services were held this afternoon at 2:30 o'clock at the residence with Rev. E. E. Huntberry, pastor of the First Baptist church of West Monroe, officiating, assisted by Rev. McCann of Choudrant and Rev. Bartman of Downville.

Mr. Brooks, who was a son of the late Major Benjamin Brooks, was born in 1861 at Atlanta, Ga. He was for many years a member of the Masonic organization and was a member of the Baptist church of Choudrant.

He is survived by his widow, four sons, Homer Brooks of Monroe, Ezra Brooks, Elton Brooks and Aubrey Brooks of Calhoun; two daughters, Mrs. John Roberts of West Monroe and Mrs. Bruce Golsen of Calhoun; a sister, Mrs. Bell Foster of Calhoun; a brother, Eddie Brooks of Calhoun, and several grandchildren.

MRS. JAMES R. BIRD

DODSON, La., Sept. 18.—Mrs. James R. Bird, 93, well known Winnfield resident, died Saturday after a long illness. Funeral services were held the same day. Burial was in the New Hope cemetery. Mrs. Bird is survived by a brother, J. A. Gaar of Dodson and two nieces.

NEGRO LYNCHED IN OXFORD, MISS.

(Continued from First Page)

covered that on, of the keys obtained from the jailer's office would unlock the cell door.

Dragged From Cell Higginbotham was dragged from the cell screaming and placed in a waiting car outside. A large crowd milled about the jail as the negro was being seized, and followed the mob leaders out of town to a lonely county side-road about 2 1/2 miles from Oxford, where the victim was hung to a tree.

Later in the night, Sheriff S. T. Lyles and three deputies went to the scene and cut down the body, and returned it to Oxford, where it was turned over to an undertaking establishment for burial preparations. Officers said a thorough investigation would be made, though it was said no members of the mob were identified.

The lynching occurred almost within sight of the campus of the state university, and Oxford citizens and officers were "shocked" at the affair. One county officer sought to "keep this thing out of the papers" and refused to give out any information concerning it to the press.

Jury Out Long Time The jury debating the negro's case had been out since 6 o'clock Tuesday afternoon, and its failure to report a verdict sooner was believed the cause of the mob action.

Judge Taylor McElroy called the jury into the courtroom this morning and dismissed the panel.

Higginbotham was charged with murdering the white planter on May 21 of this year. Feeling had been high in the county against the black following the slaying and officers rushed him to the mob-proof jail at Jackson to prevent a lynching, and he was not returned to Oxford until his trial was called yesterday.

Witnesses for the state testified yesterday that Higginbotham killed Roberts in "cold blood," that the white man had gone to the negro's house to "talk to him" and had attempted to call him out of the house.

The negro was quoted as saying, "if you want to see me come into the house." Roberts started in, witnesses said, and the negro shot him.

Artificial Lake Being Created In Catahoula

HARRISONBURG, La., Sept. 18.—(Special)—A new lake in Catahoula parish will be named Lake Virginia, when completed by Ronald Richardson of Manifest. The lake is an artificial body of water made by damming up a small creek about half way between Harrisonburg and Manifest, near the property of Albert Creel.

Mr. Richardson said that the lake will be very long and deep and will be stocked with a large number of fish. Lakes and bayous in this vicinity will furnish the fish. A spillway is being built to take care of excess water. A large clubhouse will be built and, eventually, tourist cabins, to take care of people who want to spend several days.

FEVER CASES REPORTED

There were three cases of typhoid fever and one of scarlet fever reported in Ouachita parish during the week ending September 14, according to a weekly report of the Louisiana State Board of Health.

earth, and I do not hesitate to say that they are happier and more contented, as a rule, than they have been since the close of the World war.

"It is my aim, insofar as I can, to see that they are properly cared for in the future, and that their happiness and contentment is not disturbed by carping critics or self-serving demagogues, who would use them as shock troops to serve their own selfish purposes or as stepping stones to political preference."

"Some of our critics are asking where this money is coming from. They did not ask where the money was coming from when these boys were offering up their lives in defense of their country. * * * The way to reach them is through inheritance taxes. * * * Before I would see a disabled veteran seeking the shelter of a jail, or a poor-house, in order to find a place to sleep, or a widow and orphan begging bread from door to door, I would place a wound stripe on the purse of Andrew W. Mellon big enough to be seen from Pittsburgh to Philadelphia."

Pleads For Peace

Rankin ended his address with a plea to veterans for world peace and said that "we must substitute the golden rule for the rule of gold, and make it the yardstick at the international conference table—the guiding star of world diplomacy."

"Then we can really make the world safe for democracy; then we can end war; * * * then will America resume her rightful position as the unchallenged leader in the onward and upward march among the nations of mankind, holding high the torch, and blazing out the way toward that golden era of which Tennyson dreamed in his famous poem about world peace," Rankin concluded.

water, 400 feet from the depths that will float her. They will have to pull her off stem first.

Crew Is Cautioned Captain Sundstrom called his crew together last year after the Morro Castle disaster and cautioned against taking any chances that might lead to a repetition on the Dixie. After his vessel went aground he ordered all dry furniture and other combustible articles thrown overboard to lessen the danger of fire.

When the Dixie floats again, she will be taken to Miami for two days in order to give the crew a chance to go ashore. Then she will be towed to New York and placed on dry-dock and reconditioned.

Meanwhile, another stricken steamer, the Danish Leise Maersk, gave testimony to Miami of the terrific force of the winds that blew on Labor day. The 321-foot ship, bearing 2,000 tons of oil, was battered and driven against an Alligator reef.

The winds smashed her bridge, boats and engine room, and carried away her topmasts. When repairs were complete she will proceed to Eritrea in east Africa, where she was bound with the cargo of oil.

BIG ATTENDANCE FOR FALL TERM

Only Two Changes Made In Faculty Of Concordia Parish Schools

FERRIDAY, La., Sept. 18.—(Special)—The Concordia parish schools opened Monday with record attendances, according to J. S. Burris, parish superintendent of schools.

Teachers recently named were present for the opening, but none of them has been formally approved by the special state board. With the exception of two teachers, the faculty of the Ferriday High school is the same as last year.

Professor H. A. Bateman, who has been athletic director of the school for the past six years, is the new principal, succeeding F. F. Thompson, who resigned to accept a position as professor in the department of chemistry at Louisiana State university.

Principal Bateman is a graduate of Louisiana college and taught a science class and coached the athletic teams here for the past six years. J. L. Baxter, graduate of Louisiana Tech, is again in charge of the commercial department of the school.

Mrs. Glenn Waddell, who has been connected with the school for the past 10 years, is again English teacher.

Others on the faculty include W. R. Campbell, Miss Mary Maranta, Mrs. Ira Regilio, Miss Marvin Trisler, Mrs. Goldie French and Miss Melba Enloe.

Few, if any, changes were made in the faculties of the Vidalia, Monterey and other parish institutions, it was stated by the parish school head, who was here Monday for the opening.

Oft-Beaten Brother Of Long To Run

people will provide that. He already had scores of letters from all over the country urging him to carry on the fight—and most of the letters had from \$1 to \$25 in them."

Dr. Long himself said it was "very likely" he would be a candidate. "Developments in the next few days will decide," he said. "I will run if enough people think I am the logical man."

Dr. Long's name is familiar to Oklahoma ballot stampers and automobile drivers.

As a Democrat in a state normally Democratic, Dr. Long has for his city and county offices numerous occasions, and three times has been a candidate for corporation commissioner, but never has he held an elective office or even been nominated by his party.

There's hardly a boulder or abandoned auto wreck beside an Oklahoma highway that does not bear the words, in ragged white paint, "Geo. S. Long for Corp. Com." It was Long's favorite way of getting his name before the voting public.

The announcement by Rickman intimated a final healing of the intermittent breach between the brothers.

Once Senator Long refused to make a speech in behalf of Dr. Long's candidacy for the Oklahoma regulatory body, and Dr. Long promptly called his brother the "Al Capone of American politics."

SEPTEMBER 21ST DATE FOR TESTS

Vacancies At Postoffice Will Be Filled By Examinations

Date for the holding of the civil service examination for clerk-carrier at the Monroe postoffice, announcement of which was made recently, has been set for September 21. All applicants are instructed to assemble at the Jackson street entrance to the Central Grammar school at 9 a.m. on that date.

All needed instructions as to the place of holding the examination will be given the applicants at that time. It is expected that a record number will take the tests.

This is the first time that similar tests have been held here in many years and it is occasioned at this time by the fact that vacancies have occurred at the Monroe postoffice recently.

Chicago Cubs Continue Advance In 14th Straight Victory

ARE 2 1-2 GAMES
AHEAD OF CARDS,
NEAREST RIVALSDefeat Giants 5 To 3
Tuesday As Foes Break
Under Pressure(By Associated Press)
The Chicago Cubs sweep on, leaving behind the riddled Giants, gathering steam for the Cardinals, jousting that ahead.

They made it 14 straight wins yesterday, these madcap Cubs who have come from the rear to gain a 2 1-2 game lead on the Cards and 5 1-2 on the Giants.

They play two more with the New Yorks, two more with Pittsburgh, then on to St. Louis, where they will play five games with the Frischie's naughty boys in the series that probably will decide where the pennant shall wave.

The Giants proved jittery under pressure yesterday as the Cubs beat them 5-3. Hal Schumacher hog-tied them for five innings.

He injured his shoulder, however, and on his retirement, Joe Moore and Hank Leiber made a pair of errors that handed the game to the Cubs.

St. Louis split a double-header with the Brooklyn Dodgers as only one of the Dean brothers came through as a reliever. Paul went to the mound in the final inning of the first game with one run in and none out to stop the Stengel boys and give the Cards a 4-2 victory.

Dizzy, called to duty with the Cards one run ahead in the seventh frame of the nightcap, failed where his brother succeeded and lost 3-7 as the Dodgers hopped on him for three runs.

The Pittsburgh Pirates collected five runs in the first inning of their game with the innocuous Braves and then coasted home to a 6-4 victory.

Philadelphia scored a total of four runs to take both ends of a double-header from Cincinnati, 3-2 and 1-0. Camnitz smacked a homer for the lone tally in the second.

Wesley Ferrell of the Red Sox blocked the Tigers' royal road and defeated the American league leaders 5-4 as he chalked up his 24th win of the season.

Tony Lazzeri came through with a pinch single in the ninth to drive home the Red Sox with a run and a 4-3 decision for the Yankees over the St. Louis Browns. The win, coupled with Detroit's defeat, shaved the Tigers' comfortable breach to 8 1-2 games.

The Cleveland Indians defeated the last-place Athletics 5-3 as Rookie Pitcher Vallie Eaves experienced difficulty in finding the plate.

The rookie walked the first three men to base in the opening frame and all three scored.

Jimmy Dykes' double scored the run that gave the White Sox a victory over Washington in a 14-inning struggle. The game had been a pitchers' battle between Stratton and Fischer of the White Sox and Earl Whitehill of the Senators.

L. S. U. TIGERS GET
IN SHAPE EARLYInjury List Is Small As
Squad Goes Through
2 Daily Workouts

BATON ROUGE, La., Sept. 18.—(Special)—The Louisiana State university football team is rounding into shape early from indications in practice and from comments of Coach E. J. Connelley and his staff of assistants.

The injury list has been kept down small so far this season and most of the first and second team men are giving Trainer Mike Chambers and his assistant, Paul Marx, little trouble. Gaynell Tinsley, who was knocked out of a few days of real training because of a leg injury has been back into the lineup daily for several days.

The condition of the Tigers is encouraging to the L. S. U. mentors because all the men will have to be in as good shape as possible to start off at top speed with Rice and hold in against ten teams in rapid succession. Two workouts daily which include plenty of running, have probably been more responsible for this than any other thing. The 55 men have been going through a rigid training schedule since Labor day and little has happened to hold up practices.

Brick weather during the past couple of weeks has given the boys the pep to do some hard work and this has been a great aid in getting most of them in the "pink" of condition.

The boys are in better condition than they have been at this time most seasons in the past and with continued improvement at the same rate, chances of putting a well-rounded group on the field against Rice are promising.

Members of the team were given instructions when they left for their vacations last year to keep in as good condition as possible. Some of them obtained jobs on construction work on the campus and on labor jobs near their homes. A number of varsity men in the R. O. C. unit at L. S. U. attended the annual military camp during the early part of the summer and all of them did some sort of work to keep themselves physically fit until September 2.

'GRUDGE BATTLE'
WILL BE FOUGHT
IN STADIUM HEREDr. Van Horn To Wrestle
Hank Metheny In
Semi-FinalWRESTLING PROGRAM
Place: Roosevelt stadium.
Time: 8:30 o'clock tonight.
Main event: Frankie LaRue, 217
pounds, vs. Al Maynard, 222
pounds.
Semi-final: Dr. Van Horn, 205
pounds, vs. Hank Metheny, 220
pounds.
Referee: Bill Reilly.

Frenchie LaRue, the Canadian grappler, and Al Maynard, of South Africa, will settle their grudge tonight in the Roosevelt stadium ring.

Feeling between the two matmen, which flared forth on two occasions here within the past several weeks, is expected to make the match a fast and wild battle.

No matter what takes place between the principals and the referee within the ring, the fans are respectfully requested to remain in their seats and allow police to handle any untoward situation which may develop. Extra police will be on duty at the ringside. Any fan who enters the ring or attempts to enter the ring and intervene in the grudge battle will do so on his own responsibility and at his own risk, promoter said.

The battle will be waged on the winner-take-all basis.

Several weeks ago LaRue and Maynard appeared in a bout at the stadium and after each had won and lost a fall in a wild and hectic battle, Maynard won the third and deciding fall on a decision of the referee that was protested by LaRue—a decision that the fans also protested.

The grapplers were struggling in the ropes, with Maynard on top of LaRue, when the decision was made.

Last Wednesday night LaRue found himself in the role of referee of a bout at the local stadium between Maynard and Hank Metheny. Each wrestler had won one fall when Referee LaRue disqualified Maynard for slugging LaRue.

LaRue's decision didn't even matter between himself and Maynard. It didn't settle the grudge—it only added fuel to the fire.

Tonight's battle will give each an opportunity to vent his spleen.

In the semi-final match, Dr. Van Horn, the Kansas leg artist, will meet Hank Metheny, of Missouri. The medico will spot the Missouri 155 pounds, but is expected to make up in scientific wrestling the difference in avoirdupois.

Metheny is a roughhouse grappler upon occasion, and may be forced to even matters with such tactics if the pressure of the medico's scientific wrestling becomes too strong.

FERRELL PITCHES
RED SOX VICTORY
OVER TIGERS, 5-4

Hurls 24th Win Of Season As Boston Evens Series With Champs

BOSTON, Sept. 18.—(AP)—Wesley Ferrell, who has won more games than any other pitcher in the American league, hurls his 24th victory of the season Tuesday, and, by his 5-4 victory, brought the Boston Red Sox up on even terms with the champion Detroit Tigers for the series, each having one game.

Boston slugged Elden Auker for 14 hits in seven innings, knocking four of them for the two decisive runs in the seventh. Cronin and Johnson doubled, and Rick Ferrell and Pinch Hitter Arthur Graham singled.

Greenberg clouted his 36th homer in the third inning after Gehringer singled. Ferrell, allowing ten hits, made things harder for himself by committing two errors.

BOARDS, DODGERS DIVIDE

ST. LOUIS, Sept. 18.—(AP)—The St. Louis Cardinals, fighting to overtake the fast traveling Cubs in the National league pennant race, called on the veteran left-hander, Paul Dean, to pitch Tuesday night. The game was a double header with the Brooklyn Dodgers and dropped two and one-half games back of the circuit's leaders.

Paul was rushed into the breach in the final inning of the first game with two on, one run in and none out. He stopped the Dodgers cold to give the Cards a 4 to 2 decision.

Dizzy was called on in the seventh inning of the second game. The gas house gang holding a one-run margin but the Dodgers jumped on him for three runs and an 8 to 7 victory. The second game was called at the end of the seventh on account of darkness, after the Cards had scored one in their half of the frame.

Although it was brother Paul that struck out Mills and forced Bordagary to hit into a double play in the first, Jesse Haines received credit for the victory. The ace right-hander, who has been the major league career, all of which were won for the Cardinals, whom he joined in 1930.

The victory was a costly one for the Cardinals, however, for in the second inning Terry Moore, hard hitting rookie outfielder, sprained his left ankle when he attempted to steal second base. He may not be able to play again this season, as he was carried from the field in an examination. He had from the X-ray examination.

For the first three innings of the second game, Ed Heusser and Johnny Borchardt pitched scoreless ball. The Dodgers then started in the fourth with the champions answering with two more. The Dodgers came back with three runs in the fifth as Bordagary hit home runs with two on. The gas house gang picked up another run on two bases on balls and a pair of infield outs in their half of the inning and after Brooklyn had added another in the sixth, they took the lead with three runs, Medwick driving in two of them with a double.

Dizzy, seeking his 27th victory, was held by the Cardinals. The Dodgers got the lead in the sixth as Bordagary, with four solid hits, including a double by Danny Taylor, to count three times and hand the Cardinals' star his eleventh setback.

SCHOOL OPENING ATTRACTS CROWD

2,200 Students Enrolled In
Winnfield Institutions
This Year

WINNFIELD, La., Sept. 18.—(Special)—One of the largest crowds ever attending the opening of the local school was present for the formal beginning of the new term Monday morning, when about 2,200 pupils registered for classes.

A program of exercises followed talks by Albert L. Smith, president of the Winn parish school board, and ministers of the local churches. Dr. B. C. Land, Baptist pastor; Rev. Edwin S. Stokes, Presbyterian minister; and Rev. O. L. Tucker, pastor of the Methodist church.

W. D. Walker, who is beginning his second year as principal of the school, says that the outlook points to one of the most successful seasons in the school's history.

The teachers are: W. D. Walker,

When the roaring lion moved toward the terrified boys, Dick whispered, as though fearful the lion would hear him: "Quick! the trees!" As they sprang for the nearest tree, Numa broke into a trot. And poor Doc caught his toe beneath a root and fell headlong to the ground!

... Now Tarzan of the Apes, swinging through the trees, came within sight of a drowsy African town. This was the railway terminus, a scrawny, heat-withered bud of civilization at the end of that long stem of steel which stretched from the coast. Beyond was wilderness.

Tarzan glanced at the sun and calculated the time with uncanny accuracy. Soon he expected to hear the shrill, triumphant whistle of the train which was bearing Dick and Doc to him. Fortunately for his peace of mind he could not know the present plight of his young charges.

As Doc fell in the path of the charging lion, Dick turned back and helped him to his feet. An instant later the boys were clambering swiftly into the lower branches of a great tree. Boasting angrily, Numa sprang into the air, his talons unheeded to drag them down!

JUDGE DELIVERS ADDRESS TO CLUB

District Jurist Is Principal Speaker At Kiwanis Meeting

BASTROP, La., Sept. 18.—(Special)—An interesting address on the United States constitution by Judge David I. Garrett of Monroe featured the regular weekly luncheon of the Bastrop Kiwanis club Tuesday noon at the Louisiana hotel.

Warning that "chaos will result in the nation" if the United States constitution is amended to take away from the supreme court the right to declare laws passed by congress illegal, Judge Garrett declared that the supreme court acts as an umpire over the nation the same as an umpire in a baseball game to see that the rules are lived up to. The constitution was drawn up as a contract between the states and it is the duty of the supreme court to see to it that the rights of the minority are not violated.

To give the congress the right to pass laws and be the supreme power in the nation would result in chaos and revolution, the jurist declared. Interesting side-lights of the occurrences in Baton Rouge at the time Senator Huey Long was assassinated and the events after that were related by James Madison, president of the club, and representative from Morehouse parish.

President Madison announced that the board of directors would hold its regular monthly meeting Thursday night at the home of J. R. Ludlum. A suggestion that the Kiwanis club name a committee to make plans for the dedication of the new postoffice building now nearing completion was made by Isaac Chapman. The matter was referred to the board of directors for action at its next meeting.

'BAD GIRL' BACK AGAIN

Remember "Bad Girl" . . . Of course, it's Sally Eilers and her latest picture, "Alias Mary Dow," playing at the Capitol today, gives her a similar role as the flippant little waitress who loves to dance contests. But in this film she is also called on to play socialite and she does it so well that the most eligible bachelor of the new world falls in love with her. Raymond Milland is the bachelor.

AT LOCAL THEATERS

AT THE PARAMOUNT—Rose petals in the pathway of Laurel and Hardy, the unequalled pair of screen comedians. For nearly ten years under the banner of Hal Roach, the duo has delighted screen fans throughout the world with their inimitable antics. In their latest full-length feature comedy, "Bonnie Scotland," which opened yesterday at the Paramount theater, the comic couple romps through a tale of adventure and intrigue in Scotland and India, leaving in its path a trail of merriment and hilarity.

The opening scenes show the pair in Scotland. Stanley McLaurel, accompanied by his pompous friend, Oliver Hardy, has arrived in Scotland to claim the magnificent estate of his deceased uncle. So far as Stan is concerned, however, the estate consists of some valueless heirlooms for that is his share of the legacy. Then the boys, through a misadventure, find they have signed themselves into the Scottish Highlanders. They are sent to India in His Majesty's service. There they are called upon to impersonate two commanding officers in an effort to save the fort. As in all good stories, their ruse is effective but not until after they have experienced some hazardous adventures.

It is perhaps needless to state that Messrs. Laurel and Hardy are as uproarious in their antics as ever in this comedy classic. With unusual finesse and bravado they swagger through sequence after sequence. Attired in the habiliment of Scotch Highlanders the boys present hilarious caricatures of "the ladies from hell" and once again top the heights of the art of pantomime.

AT THE CAPITOL—Tender love scenes, brilliant dialogue, subtle comedy, rapid fire action and superb acting combine to make Sally Eilers the newest starling Universal film, "Alias Mary Dow," which plays today at the Capitol theater, one of the brightest dramas of the year.

They say comparisons are odious. But any role Miss Eilers plays must be compared to the one in "Bad Girl" which won her for the 1932 Academy award. In "Alias Mary Dow" she is more versatile, more finished. She has never been better than as the little waitress who gives up her identity to save the life of a woman she does not know.

Supporting Miss Eilers in the film are Ray Milland, Henry O'Neill, Clarence Muse, Katharine Alexander, lovable Baby Jane, clever three-and-a-half-year old starlet, Lela Lane and Chick Chandler. The fine screen play and witty dialogue were written by Gladys Unger, Rose Franken and Arthur Caesar.

To reveal the startling climax of the film would be to destroy your full enjoyment of it. Kurt Neumann's direction leaves nothing to be desired. It is fast, sure and deft. Joe Valentine's photography is beautiful as always.

**Richland Parish Singing
Convention Date Is Set**

DUNN, La., Sept. 18.—(Special)—The Richland parish singing convention will be held at the Church of God in Dunn on Sunday, October 6. It is expected to be the best session in many years. Singers from all sections of north Louisiana are expected to attend, as well as singers from Texas, Arkansas and Mississippi.

Since the organization was started, July 12, 1931, it has grown to be one of the largest in the state, and a new building has been erected by the Church of God to take care of the increased attendance.

Among the outstanding quartets expected to attend is the Vaughan quartet of Monroe, the John Pickering quartet of Crossett, Ark., the Stamps quartet, the Ruston girls' quartet, and the Bastrop quartet. Choir directors expected include Otis Deaton, Tim Jarvis, G. W. McCullen and Joe Medaris.

LEGION POST HAS NAMED ITS GROUPS

Plans Are Formulated For Big Drive For New Members

Committees for the ensuing year were named Monday night at the meeting of the L. B. Faulk post of the American Legion. Activities for the next 12 months also were discussed. Many prizes will be awarded in connection with the membership campaign. Bill Perhamus, newly-elected commander, presided for the first time in his new capacity. C. B. Braun was named adjutant. William Rodriguez presented Isador Liebreich with a past commander's pin.

One of the important objectives of the coming year will be that of urging greater safety on the streets and highways. It is proposed to work in conjunction with the Monroe police department in enjoining greater caution in all towns within 30 miles of Monroe.

Committees named are as follows: Dick Daugherty, custodian of the house; W. C. Oliver, purchasing agent; B. A. Toudou, newspaper publicity; Isaac Lemle, radio publicity; Americanism, H. F. Madison, George Lester, Warren Taylor; school award committee, C. E. McKenzie, Rev. E. D. Holloway; Sons of the Legion, Sam Orchard; veterans' council, C. E. McKenzie, Isador Liebreich; finance officer, Robert Cowden; entertainment, Bill Perhamus, Florent Hammonds, C. E. Johnson.

Three groups were named in the membership drive, of which H. F. Madison is general chairman. The groups are the "wets," the "drys" and a team composed of past commanders. The "wets" are as follows: Harry Stein, chairman; E. B. Bradley, Sam Rubin, John A. Faulk, Peter Fasi, Hardy Rutherford, Dr. J. J. Wolf, Oscar Johnson and Wayne Hucksby.

The "drys" are composed of the following: Florent Hammonds, chairman; John Bailey, Saul Adler, Frank Cline, Graves Godwin, William Hadad, Charlie Johnson, E. N. Johnson and H. B. Henderson.

Past commanders are: Isador Liebreich, Murray Hudson, Louis Rolfe, Joe Trammell, Dr. P. M. Gale, Isaac Lemle, Sam Orchard, Charles Mitchell, Curtis Smith and W. W. Cooper.

Tom Leos, 607 Washington street, is convalescing at St. Francis sanitarium, where he recently underwent an operation for appendicitis. He is now able to receive visitors.

CANDIDATE

Edward Everett, Jr., 35, of Farmerville, has announced his candidacy for district attorney of the third judicial district, composed of Union and Lincoln parishes. He is a son of Mr. and Mrs. Edward Everett of Farmerville and is a graduate of the Louisiana State university law class of 1923, following which he took special studies at the University of Texas. He has been a practicing attorney in Farmerville for 12 years. He is a World War veteran, a member of the Lions club, and in recent years served as president of the Third Judicial District Bar association.

MANY FRESHMEN ENTERING HERE

Northeast Center Enrollment Large; Courses Popular

From 1 p.m. until 5 p.m. Tuesday, a total of 210 freshmen had enrolled at the Northeast Center of Louisiana State university, according to Dean C. C. Colvert. Still more were entering today. Thursday and Friday will be given over to the registering of sophomores. Class work will start on Monday.

The dean said that he was not able as yet to forecast the total enrollment but that indications were that he was correct in his surmise that a record number are to attend.

Several courses are proving popular, especially the new commercial course and the department of speech and dramatics. Mr. Colvert said that indications are that both courses will be so popular as to present possible difficulties in arranging room for all who seek to pursue these subjects.

Approval Of CCC Camp At Ferriday Is Expected Soon

FERRIDAY, La., Sept. 18.—(Special)—Mayor E. W. Vogt has received information from Washington, D. C., that the plans and specifications for the proposed CCC camp to be erected near here, are under study of government officials and that announcement of the decision of the officials will be made soon.

Mayor Vogt said it probably would require 15 days for the matter to be disposed of in Washington. The erection of the camp, he said, would mean much to this section.

CROWDS ATTENDING

FERRIDAY, La., Sept. 18.—(Special)—Large crowds are attending the daily revival services being held by Rev. Frank Gayer, pastor of the Frankston, Texas, Baptist church, here. The singing is being led by Rev. Ernest Chandler of Bogalusa.

PLACE FOR FAIR BEING PREPARED

Crew Engaged In Grading And Getting Fair Grounds Ready

A crew of 20 men are busily engaged in grading and otherwise getting the grounds at the Ouachita Valley Fair association in condition for the coming exhibition early in October, according to George H. Dierlamm, manager.

A large amount of work will be required, as the tract recently purchased for the fair association has never been used for this purpose and many details will of necessity have to be worked out.

Mr. Dierlamm said Wednesday that more interest than ever before is being shown concerning the fair and he anticipates greatly increased number of exhibits and crowds that will doubtless surpass those of former years.

One feature of interest will be the natural history exhibition loaned by the Coca-Cola Bottling company, and in the charge of R. H. Murchaugh. Another tent will be used by business men of Monroe and West Monroe as a commercial one, many exhibits of the varied industries of the two cities being exhibited.

Art work will be featured, as will home craft. Mr. Dierlamm wishes all who are to enter exhibits to make preparations at the earliest possible date.

Cities and towns of northeast Louisiana will be posted with signs and billboards announcing the approaching fair. Mr. Dierlamm stated.

Third District Court Opens At Farmerville

FARMERVILLE, La., Sept. 18.—(Special)—The third district court convened here Monday with Judge E. L. Walker of Ruston, presiding. On a motion made by H. G. Fields, a member of the bar, a resolution of respect to the memory of W. B. Dawkins, former district clerk of court, who died since the last term of court, was ordered drafted, and it was resolved that when the present term of court is adjourned, it will be of respect to the memory of Mr. Dawkins.

A committee composed of Harvey G. Fields, Edward Everett, Jr., and E. K. Watson, was appointed by the court to draft the resolution and fixed Friday morning at 9 o'clock as the hour for the reading of the resolution.

C. H. Hudson was named foreman of the grand jury, which was charged by Judge Walker to closely investigate crime in Union parish without fear or favor, and to make an examination of the books of various parish offices and to inspect all public buildings.

3,300 Students Enroll In Claiborne Schools

HOMER, La., Sept. 18.—(Special)—The Claiborne parish schools opened Monday with an enrollment of 3,300 students and with 145 teachers employed in the 10 parish schools. Fifty trucks are used to transport the rural students to the various schools.

According to P. C. Rogers, principal of the Homer High school, 225 students are registered at the school, the largest enrollment in years, and the total for both Homer schools is 744 students. J. A. Jones is principal of the grammar school.

TO GIVE SILVER TEA

MER ROUGE, La., Sept. 18.—(Special)—The Woman's Missionary society of the Baptist church will give a silver tea at the church September 20.

FLORIDA DESCRIBED TO WOOLWORTH CLUB

Young women who are members of the Woolworth's club held their regular meeting at the Young Women's Christian association rooms Tuesday night.

Miss Elsie Johnson, president, presided and introduced the speaker of the evening, Miss Bessie Harrison of Miami, Fla., who gave an interesting talk on the beauties of Florida.

Mrs. Fagan Cox, secretary of the "Y," announced that plans are being formulated for the holding of the fall drive for financing of the institution the first week in November.

This year it will be necessary to conduct this drive early, due to the fact that insufficient money was raised at the drive conducted last March.

Epps Commission To Be Represented At Meeting

EPSS, La., Sept. 18.—(Special)—The commission of the American Country Life association of Epps, which is said to be the only commission of its kind in the state of Louisiana, will be represented at a meeting in Columbus, Ohio, September 19, by Miss Alexina J. Ditch, home demonstration agent of West Carroll parish. Others who will attend the meeting are Miss Mary Mims, Louisiana State university extension worker; Mrs. R. Douglas, state home demonstration club president; Miss Mary Johnson, district home demonstration agent; Donald Mitchell, state 4-H club president.

Mississippi Gulf-Orleans Road Nearing Completion

JACKSON, Miss., Sept. 18.—(P)—J. B. Burns, secretary of the Mississippi Highway commission, said today the short cut road between New Orleans and the Mississippi gulf coast, reducing the distance between the two points about 20 miles, would be completed on both the Louisiana and Mississippi sides of Pearl river by October 15.

He said the Mississippi temporary paving could be finished within two weeks but that the work would be slowed down so it would be completed about the time the Louisiana work is concluded October 15.

LIONS GROUP TO MEET IN UNION

Will Be Guests Of Farmerville Club; District Governor Coming

Lions clubs in group No. 2, comprising the organizations of Monroe, Oak Grove, Dubach, Winnsboro and Farmerville, will meet in the city hall at Farmerville as host of the club of that city Thursday of next week at 7 p.m. for a business session.

After the business session is held, the party will adjourn to the banks of the D'Arbonne to the camp of F. W. Murphy, president of the Farmerville club, for a chicken barbecue supper.

One of the features of the evening will be the presence of Warren Watson, district governor, of Baton Rouge. These sessions are held every three months in different cities and towns represented in the group.

CITY COURT

Cases in city court yesterday were disposed of by Judge W. M. Harper as follows: Henry Malone, negro, larceny of a lawn mower valued at \$16.50, 60 days in jail; Dona Maxwell, drunk and disorderly, \$7.50 cash bond and disorderly, \$7.50.

Hotwyl, in Switzerland, and Krutman, in Bohemia, were the two earliest agricultural colleges to be established—in 1797.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning! It's So Good!
The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sick and the world looks punk.
Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Flammable, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 2c.
